our fantastic, emotional, fun-filled wedding."

The Cadhay Experience!

At Cadhay you will not only be able to relax, enjoy and live in this wonderful and historic venue, you will also be able to create a wedding that is totally unique to you. Best of all, when you choose Cadhay, your wedding does not start and end on a single day - you, your family and house guests will have exclusive use of Cadhay for a long weekend or a full week. Other than asking you to work with our approved marquee suppliers and caterers, the choices are all yours.

Typically, weddings take place at Cadhay between May and September when the gardens are at their most magnificent, providing an exceptional venue for the most romantic of weddings, irrespective of the size.

A stay at Cadhay is a rare and unique experience. To arrive here for your wedding is to enter into an amazing historic house that has been lived in continuously for centuries. Yet the feel is welcoming, understated and relaxed, a house that offers modern comfort without having been 'modernized'. With its deep sofas and wood fires you will quickly unwind and will soon feel entirely comfortable and completely 'at home'.

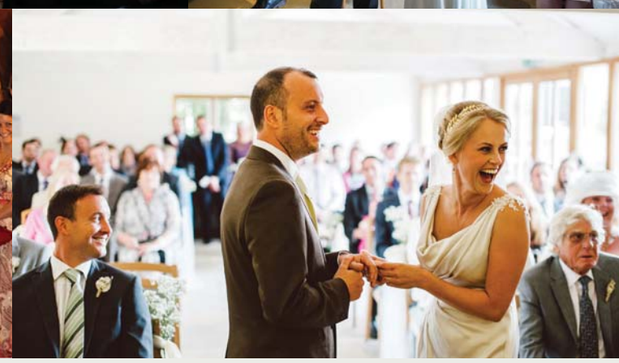
The Romantic Atmosphere

The Ceremony

Should you choose a civil ceremony, there is the choice of three rooms in the manor house for a maximum of 40 people.

Cadhay can also offer the Granary, the Old Apple Store or the Bothy in the garden for up to 110 people. Should you decide to be married in the garden, you can choose one of our other ceremony rooms for your 'wet weather' back up!



If you wish to be married in church, then Cadhay is an ideal 'home' to be married from, and to return to for your reception.

Please note that for a legal ceremony you will need to book and pay Devon Registrars separately.

"The most magical autumn day at Cadhay to celebrate our wedding, it was perfect. Thank you to Rupert, Jayne and all the team at Cadhay for being so wonderfully kind and accommodating, it was everything we dreamed of and more."
